

Antonie All Trades Bond Back Guarantee

Terms & Conditions:

Our bond/exit cleans are guaranteed for 5 days following the clean. If your clean doesn't pass agent inspection, we will return to the property within 48 hours to rectify the cleaning issues. Please be sure to send us a clear and accurate list of missed items from the agent.

We cannot guarantee cleans for extremely dirty or damaged properties. Our guarantee also doesn't include badly stained or soiled carpets, open house inspections, settled dust from the time of the clean to the time of inspection; dust can accumulate quite quickly.

Please read our checklist carefully. If your real-estate requires more than what we provide on our checklist, we can customize your bond clean to suit their requirements.
